PROFESSIONAL SUMMARY

Junior Web Developer and WordPress Developer with hands-on training in HTML5, CSS3, JavaScript (ES6), jQuery, PHP and MySQL. Familiar with responsive page development, client-side validation, PHP-MySQL connectivity, and WordPress theme setup, plugin configuration and content management. Brings structured problem-solving and clear technical communication.

TECHNICAL SKILLS

Front-End: HTML5, CSS3, JavaScript (ES6), jQuery, Responsive Design
Back-End & Database: PHP, SQL (MySQL)
CMS: WordPress (Theme Setup, Plugin Configuration, Content Management)
Developer Tools: Git, GitHub, GitHub Pages, VS Code

EXPERIENCE

Webvision Arena | Web Development Trainee & Intern | June 2026 - September 2026

- Developed and styled responsive web page templates using HTML5 and CSS3 for different screen sizes.
- Implemented client-side form validation and interactive page behaviour using JavaScript (ES6) and jQuery.
- Practised PHP-MySQL database connectivity and SQL operations through training exercises.
- Worked with WordPress theme setup, plugin configuration and website content management.

Shree Gangabai Sarvajanik High School | Computer Teacher | 2023 (1-Year Contract)

- Taught foundational computer concepts to Class 5 students, explaining technical topics in clear, age-appropriate language.
- Structured lesson plans and guided classroom learning activities, strengthening communication and instructional organization.

PROJECTS

Radhe Creation | Showcase E-Commerce & Decor Website | October 2026

- Developed a product showcase website for a handmade-art and decor business, organizing product categories and page content for clear browsing.
- Applied CSS styling for mobile-responsive layouts and published the project demo through GitHub Pages.

Tech: WordPress, CSS, GitHub Pages
